2. 'X' ring hits will be kept on the scorecard by all competitors and will be used as a tiebreaker. If still tied, the number of '10' ring hits will be used, then '9' ring hits, and so on until the tie is broken.
3. Whistle system: 2 = go to line, 1 = shoot, 3 = advance to score, 4 or more = emergency stop.
4. Should an equipment failure occur, a 30-minute repair time will be allowed with no disruption of the shooting line. A maximum of two ends may be made up at the discretion of the Director of Shooting.
5. Field glasses or scopes are permitted for spotting arrow hits. Scopes may be placed on the shooting line provided they do not disrupt the shooting of the adjacent archer. Scopes shall be removed from the line between ends if not utilized by the other archer shooting in that space.

6. No broadheads will be permitted.
7. Regulation FITA 122-centimeter (48-inch) five-color target faces will be used. Scoring values are: Gold (10-9), Red (8-7), Blue (6-5), Black (4-3), White (2-1), 10-ring scoring. At the discretion of the Director of Shooting, replacement centers may be used to repair a target face during competition.
8. Dividing lines are part of the higher scoring ring. The arrow shaft must only touch the color or dividing line between scoring zones to score the high value.
9. Targets will NOT be marked for hits. A witnessed bounce out or pass through will be shot over. If an arrow countersinks or destroys another arrow in the target and then bounces back, that arrow shall count the score of the arrow it destroyed.
10. Two archers at each target will keep the double set of scorecards. Scores shall be compared after each end. If the scorecards do not agree after arrows have been removed from the target, then the lower score shall be the official score. The winner in each style/age group shall be the archer scoring the highest number of points in the single 900 Round.

**2020 is a year in which to qualify for NSGA competition in
Fort Lauderdale, Florida November 5 – 18, 2021.**

For more information about national competition go to: NSGA.com

1. **All first, second, third and fourth place winners in each gender and age division qualify to compete in the 2021 National Senior Games AND those meeting the Minimum Required Score below qualify for participation in the 2021 National Senior Games.**
2. **Oklahoma is an "Open" state. This means Oklahoma Senior Games allows participation by out-of-state athletes. The NSGA definition of an athlete's state of residence is that state in which the athlete resides at least six months of the year.**

3. Archery allows for four resident qualifiers in each style, gender and age division. Oklahoma qualifies four Oklahoma residents in addition to any top four finishing out-of-state athletes. This means that if the top four places are all filled with out-of-state athletes, Oklahoma residents who place in the next four positions qualify for the 2021 National Senior Games. Oklahoma would then qualify eight athletes for the national senior games in that style, gender and age division.
